

THE FRAUGHT
Pilot Episode: Fire in the Sky

*"There's no commandment that says thou shall not send though,
right?" - Kyle Forgeard, 2023*

INT. SIGMA KAPPA UPSILON FRATERNITY HOUSE - NIGHT (N1)

On the ground at a frat rager: mysterious grime coats an ancient hardwood floor. We follow SNEAKERS walking towards distant strobe lights and thumping bass in the courtyard.

Drunken "dancing," human traffic jams, and late-night make-outs can all be observed from this angle. Beer cans, cigarette butts, and solo cups hit the floor as we move to...

EXT. "SKY" FRATERNITY HOUSE - COURTYARD - CONTINUOUS (N1)

An enclosed outdoor courtyard. A GROUP sits on the steps of a massive spiral staircase huddled around a bong. Winding past them to the balcony, we finally see the scene: a DJ booth with fog, lasers, and DOZENS OF BACKWARDS-SNAPBACKED DUDES.

DOM (21), Cali boy, dark pits under his eyes with a 6/10 mustache, spins the plates of a grimy XDJ-AZ as he frat-flicks to the rhythm and rips his Geek Bar. Behind him:

A massive mural of greek letters amongst painted clouds. Welcome to SIGMA KAPPA UPSILON, otherwise known as "SKY."

ENZO (21), the clean-cut and determined president of this organization, throws his arm around Dom.

DOM
Yo, prez.

ENZO
Yo.

DOM
No one does it like sky.

ENZO
No one does it like fuckin' sky,
baby.

Watching from the balcony: Enzo procures a champagne bottle seemingly out of the ether and begins spraying the crowd.

MATCH CUT TO:

EXT. SKY FRATERNITY HOUSE - COURTYARD - THE NEXT MORNING (D2)

Empty. A dumping ground of cans, cardboard, and broken glass.

A hungover Dom walks out to the side of the yard, stretches aggressively, and starts urinating all over the bed of trash.

KITCHEN

Enzo, the only one in the house who somehow looks great, is preparing six eggs and a protein shake on a stove and countertops that are covered in a thick film of grease and thawed remnants of Trader Joes frozen meals.

THREE GUYS sit on a dangerous-looking makeshift double-decker couch watching NFL RedZone. On the top tier, AMIR (21), Persian, has curly black hair that he refines into a half-mullet weekly. He loses a game of *Clash Royale* on his phone.

AMIR

Fuckin' Mega Knight. How do they expect me to win against this bullshit?! I can't believe--

Amir's video-game-induced rage fades into the background.

On the tier below him, PADA (20), a skinny Asian kid with a stimulant problem, is the greatest video editor you've ever seen. He stares at his laptop with adderall eyes, ripping a vape and operating DaVinci Resolve with unbelievable speed.

MASE (21), places parlay sports bets on two different apps.

Zippping up his fly, Dom enters the kitchen from outside.

DOM

What's good. Yo, did y'all see that clip I sent of Biggie Cheese macking with that D-Phi chick? Shit is wicked. Fucking brutal looks.

Silent hungover acknowledgment. Enzo's blender WHIRRS.

Dom cracks open his Zyn container, shelves the last pouch in his upper lip, and throws the empty tin onto the top of the trash can, which is BEYOND full. The tin falls off twice. He carefully balances the tin atop the trash pile Jenga-style.

PADA

Yo. Shit's done. I'm gonna post.

AMIR

No shot.

ENZO

Fuck yes, Pada. Good shit.

All the boys in the room crowd around Pada's laptop. He presses play: It's a rush promotion video for SKY.

DOM

Casino theme fucks.

INT. SIGMA KAPPA UPSILON RUSH EDIT - SAME TIME (D2)

Daniel Craig and Mads Mikkelsen in *Casino Royale* with Greek letters pasted in front of their faces. Rapid cuts; heavy EDM backing a montage of raves, house parties, surfing and skiing clips, and Dom DJ-ing at a local venue. SIGMA KAPPA UPSILON strobes as a final message pops up:

"Play your cards right. Rush SKY."

INT. TOBY AND BICK'S DORM - DAY (D2)

Blue light illuminates TOBY SAUNDERS (18), lost and innocent with messy brown hair, as he scrolls past the rush video on his Instagram feed whilst lying in his elevated dorm bed.

A neatly maintained dorm room with two PC setups on either side. BICK (18)--glasses, typical nerd physique--reclines in a gaming chair watching anime on a ridiculous curved monitor that likely costs twice as much as Toby's entire setup.

INT. TOBY AND BICK'S DORM - NIGHT (N2)

Three hours later, and the screen time rot-sesh is still in full swing. Bick has transitioned to gaming, and Toby is FaceTiming AVERY (18), brunette, kind eyes. They laugh.

TOBY

Haha, yeah. But seriously. I know it's only been, like, a week since I saw you, but I miss you already.

AVERY (FT)

I knowww. I miss you too.

(sarcastic)

Can't wait for another semester of long distance! Woohoo!

TOBY

Yeah, it's... hard... but nothing we can't handle, right?

Avery's smile is overcompensating for her hesitance about bearing this shit for another four months.

TOBY (CONT'D)

Hey, are we still gonna Teleparty Peaky Blinders tonight?

(Thomas Shelby)

By order of the Peaky fockin'--

Bick glares at Toby and rolls his eyes at his impression.

AVERY (FT)
 Oh, um, haha. Yeah. I don't think I
 can tonight. Remember Theo?

Toby is taken aback.

TOBY
 Oh? Theo? Not sure I--

AVERY (FT)
 C'mon! Theo! He lives on the floor
 below me. Stupid, like, *frat* guy,
 remember?

TOBY
 Oh yeah, totally. Frat boy Theo.
 FERDA!! Haha. Right?

Avery seems weirded out. Not even a hint of a laugh.

AVERY (FT)
 Um. Yeah. He's like, taking me and
 some of the girls to this sorority
 mixer thing.

TOBY
 But you're not in a sorority.

AVERY (FT)	GIRL'S VOICE
I'm a girl, Toby, they're not	(calling to Avery)
gonna, like, turn me away.	Come on! He's here!

AVERY (CONT'D)
 Okay, Tobes. I gotta go. I'll send
 you pictures, okay?
 (louder)
 Bye, Bick!

Bick continues gaming

BICK	TOBY
Bye, Avery!	I love you--

She hangs up abruptly. Toby turns to Bick.

TOBY (CONT'D)
 What the fuck, man?! Who even is
 this guy?!

Bick shrugs.

BICK
 I'm sure it's chill. Has she
 mentioned him before?

TOBY

No? I mean, maybe. Not sure.

Toby opens "@theo.mega"'s profile. He's shredded, shirtless, and holding a huge fish in some sick Alaskan oasis.

Toby throws his phone at Bick and hits him in the chest, startling him.

BICK

Yo! What the fuck, this is ranked!

Bick dies in his game and picks up the phone.

BICK (CONT'D)

Well, he's... jacked. And hot.
Seems, like, cool.

TOBY

Really helpful bro. I feel soo much better now. *The fuck?!*

BICK

Hey, maybe she's just, like, trying to make you jealous. Girls do that. I wouldn't worry about it.

INT. LECTURE HALL - THE NEXT DAY

A BEARDED PROFESSOR (30s) speaks incomprehensible jargon that he assumes the entire lecture hall understands, but really he's only speaking to THREE TEACHER'S PETS in the front.

As he lectures, he highlights complex algorithms and graphs with a laser pointer on a massive projector.

PROFESSOR

So we have this down, yes? Top-down vs. bottom-up dynamic programming? We have deletion, insertion, replacement, transposition...

As the professor rambles, Toby takes furious notes. Enzo SLAMS into the classroom, disrupting the professor. Taking in the turning heads, he brushes off his oversized sweatshirt, which is plastered with white and light blue Greek letters.

Enzo sits down next to Toby. Toby gives him an awkward look. After about four seconds of listening to the professor...

ENZO

Yo. I'm fuckin' cooked. This dude's on some crazy shit. And on day one?

Toby continues working. Enzo bumps his shoulder.

ENZO (CONT'D)

Yo, fool. Are you not *completely*,
like, *lost* right now?

Toby shrugs. He turns his laptop towards Enzo.

TOBY

It's not too bad. See here, you
basically just have to break the
big problem down into smaller sub-
problems. That's effective here
because of the optimized
substructure. You see the--

Enzo is not tracking. But hey, most in the class aren't.

ENZO

Damn, you're like, wicked smart.
What are you, a sophomore?

TOBY

Freshman. My dad wants me to "get a
jump" on my classes. Got to hold
onto my scholarship. Didn't know I
needed to hold on this tight.

ENZO

*Freshman?! Man, freshman year. Was
not taking classes like this back
then. Fuck. You still got me for
exams, though, right?*

EXT. LECTURE HALL - DAY (D2)

Toby and Enzo exit their class behind a mob of sluggish over-
under-dressed AirPodded students glued to their phones.

Toby gestures to Enzo's sweatshirt.

TOBY

What's with the Greek... shit?

Enzo looks down and taps out each letter.

ENZO

(obviously)

Oh. Sigma. Kappa. Upsilon. It's my
frat. Everyone calls us SKY.

(proud)

I'm the president. I'm sure you've
heard of us.

TOBY
No, I haven't.

Enzo stops on the lawn outside the lecture hall.

ENZO
Dog, for real? We're touse.

TOBY
Touse?

ENZO
Fuckin'... *Top House*. Dude. Figure
it the fuck out. You know what?

Enzo scans around for his peers like a paranoid drug dealer.

ENZO (CONT'D)
Since you clearly don't know shit,
and have like, probably never had
fun, ever... we have our Greek
Wedding tonight. I'll wristband
you.

TOBY
I need a wristband for a wedding?

ENZO
The fuck? You're not a brother, you
need a band. But you only get one
if you agree to carry my ass in
class this semester.

Toby extends his hand to shake Enzo's.

As he does, Bick walks up to them in the background.

TOBY
Deal.

BICK
'Sup ho. Who's this?

Enzo scans Bick. He's overanalyzing, masking a deeply buried
interest in the gay nerd before him with a look of disgust.

TOBY
This is Enzo. Enzo, this is Bick.
He's gonna get us into some wedding
party tonight.

Bick eyes Enzo, curious.

BICK
Who's getting married?

ENZO
Me and my rocket girlfriend,
actually. But I said nothing about
you getting in. Your name is *Bick*?

BICK
It's a nickname. I'm sure you have
plenty of those in Sigma Kappa
Fuck.

Bick gets up in Enzo's face. Enzo gulps.

BICK (CONT'D)
And I'm coming. You wouldn't want
Sequoia's freshman girls thinking
that you're the homophobic frat,
would you?

Enzo takes a step back, raising his hands in the air.

ENZO
I'll see you both tonight.

INT. TOBY AND BICK'S DORM - DAY (D2)

Toby and Bick watch a show on Bick's ridiculous monitor. Toby
takes a long pull from a dab pen and coughs deeply.

TOBY
(through coughs)
No way we go to that party tonight,
right?

Bick takes the pen from Toby and hits it.

TOBY (CONT'D)
Unless you, like, want to.

BICK
Ugh, I don't know. The frats here
are so corny. But what do I know.

TOBY
(unsure)
Yeah, totally.

Toby checks his phone. He's sent a string of texts to Avery:

*Hey hope you're having fun! | New class was lit | Got invited
to a frat party tonight | prob won't go.*

BICK
Hey, how's Avery?

No replies. Toby types and sends: *Is everything okay?*

TOBY
She, uh. Hasn't responded. All day.

Toby opens Instagram, concerned.

BICK
What? Really?

Avery has POSTED A PHOTO ON HER STORY WITH THEO.

She stands next to Theo. He mans a frat bar. They're not touchy-lovey, but it's *definitely* not a post that would make a long-term boyfriend ecstatic.

TOBY
(hurt)
What the fuck?

Toby shows Bick.

Bick zooms in on the image. Toby cannot believe this is real. As Bick is looking at the picture, Avery texts back:

"We need to talk."

INT. ISLA'S COLLEGE HOUSE - DINING ROOM - NIGHT (N2)

Enzo runs between the kitchen and the dining room, setting up an elegant display of roses, plates, silverware, tall candles, and a silk tablecloth: the whole nine yards.

He masterfully prepares a complex shrimp pasta in the kitchen. He glances at the table spread. He's panicked.

The candles aren't lit. He checks his watch.

ENZO
Hey, Carmen?

CARMEN (O.S.)
Yeah?

LIVING ROOM

On the couch, CARMEN (22), chronically between stoned and exhausted (yet still charming), wears a blanket hoodie and sips an absurd pour of red wine with eyes glued to the TV.

ENZO (O.S.)
Can you light those candles for me?

DINING ROOM

Carmen pauses her show, groans, and lights the candles with a lighter that never leaves her pocket.

CARMEN
Anything else? If you make me pause
Love Island one more time, I'm
going to crash out.

ENZO
No, you're good. Thanks. Isla
should be here soon.

Enzo continues setting the table to perfection.

INT. ASTON STRATEGIES LLP - RICK'S OFFICE - DAY

RICK ASTON, a quirky decorated lawyer who, despite just turning 43, is beyond stuck in his fraternity glory days. On the wall: a pristine SKY-branded fraternity paddle that reads: "Rickshaw. Class of 2000" next to lawyer memorabilia.

Rick rocks back and forth in his reclined office chair, clutching on tight to a heavily fading halo of black hair.

RICK (O.S.)
You have some real legal *presence*,
Isla. You can't teach that.

ISLA (21), the eye-turning sorority president and it-girl-control-freak whose suit is just as tailored as her Instagram feed, stands before Rick holding a stack of papers.

ISLA
Really?

RICK
Oh, sure. You know, that Enzo of
yours. I'm so glad he brought you
to me. You're the best assistant
I've ever had. Can always count on
the brothers at SKY, you know?

ISLA
Um. Yeah. For sure.

Rick taps his desk in a highly caffeinated fashion and springs up to his feet.

RICK

Man, do I miss the *days*! Anything fun going on with the fellas? Getting, *sendy*, as they say?

ISLA

Actually, yeah. There's the Greek wedding tonight. Enzo and I are getting married. Well, not *actually* married, but, you know.

RICK

Oh! Of course. The Greek wedding. What a tradition that is. I was "married" to my Rachel there. Wish our *actual* marriage could've worked out. That's life for ya!

Isla stares at Rick uncomfortably.

Rick stares at an old composite photo of his old chapter pinned to his wall. The title below his name: *president*.

RICK (CONT'D)

Why don't you take the day off tomorrow.

ISLA

Really?!

RICK

Sure thing. You've been working hard, and you've got quite a night ahead of you. Maybe I'll, uh, *stop* by before the festivities get swingin'. Drop somethin' off.

EXT. ISLA'S COLLEGE HOUSE - LATER

Isla exits her Mercedes, juggling a Stanley water bottle, her bag, and her phone while scrolling notifications:

Sorority judiciary board meeting requests, missed calls, Instagram likes, emails, and a reminder: PICK UP DRESS.

ISLA

(under breath)

Fuck. FUCK!

She takes a deep breath to calm down. Opens the door.

INT. ISLA'S COLLEGE HOUSE - DINING ROOM - CONTINUOUS (N2)

Carmen rots on the couch. As Enzo is plating the pasta, Isla opens the door... and is *totally surprised*. Yes, Enzo!

Enzo rushes and sets the pan down in the kitchen as Isla looks at him lovingly. He swiftly returns and kisses her.

ENZO

Happy two years.

ISLA

Oh my god, Enz, you didn't. Thank you. You're the best, I love you.

They sit. Enzo pours her a small glass of wine. A ritual. She gestures for him to keep pouring. A breaking of the ritual.

ENZO

Oh, no baby glass tonight?

ISLA

Rick gave me tomorrow off, girl! I told him it was the wedding. I swear if you gave that man a bid this semester, he'd quit his job to pledge again.

ENZO

Oh, we're going to have a NIGHT!!

INT. SIX TWENTY-TWO CORNER STORE - NIGHT (N2)

Dom slams a six-pack, a kratom seltzer, and a bag of peanuts onto the counter. This is a sacred routine. A pair of wired DJ headphones hangs around his neck.

Dom replies to texts on his phone at light speed. PABLO (30s), a charming cashier who's never seen without his torn-up LA Angels hat, goes to the back area behind the counter.

DOM

Wintergreen sixes.

PABLO

Good choice!

Pablo retrieves a can of Zyns and rings Dom up. Dom pays for the items with his phone as Pablo bags them.

Dom grabs the bag and extends his hand, executing a well-practiced goodbye handshake with his favorite cashier.

DOM
I fuckin' love you, Pablo.

Dom exits with a wave.

PABLO
You're the man!

INT. AMIR'S BMW - NIGHT (N2)

Dom hops in the recently detailed coupe and throws a Zyn in his mouth. He gestures the tin toward Amir, who refuses.

AMIR
(knowing he's not)
You dialed, DJ Dom-o?

DOM
'Course I'm fuckin' dialed.

Dom pats his pockets and begins to panic.

DOM (CONT'D)
Yo, you seen my USB?

The second Dom starts speaking, Amir breaks out Dom's missing flash drive. Dom lets out a sigh of relief and daps Amir.

DOM (CONT'D)
My boy.

AMIR
I can't keep bailing your degen ass out, gang. You gotta get your shit together one of these days.

DOM
Hey, fuck you, alright? Start pushing your whip. I gotta do sound checks. Donny's setting up my new lasers, too. I'm stoked.

Amir starts the car and speeds out of the gas station.

AMIR
You're lucky my liver's fucked. I'm like your private chauffeur.

DOM
Your liver is a miracle. It's also saved me, like, maybe a grand on Ubers, so... 'preesh.

AMIR
Hit my Venmo then, pussy.

EXT. AMIR'S BMW - NIGHT (N2)

The boys laugh as the car parks in a lot behind Sequoia's off-campus Greek row: a series of run-down frat castles.

TOBY (PRE-LAP)
I just. It's so, so out of the blue, Avery. I had no idea.

INT. TOBY AND BICK'S DORM - NIGHT (N2)

Toby's heart is in the meat grinder. His phone is pressed to his ear. His face is puffy and red.

AVERY (O.S.)
Yeah... I knowww! I'm sorry, Toby.

TOBY
Fucking, are you? Like, who is this guy? Why are you so weird about him? You barely said goodbye today.

No answer.

TOBY (CONT'D)
Can you FUCKING TALK TO ME?!

AVERY (O.S.)
Okay! Okay! Calm down, I--

TOBY
CALM DOWN?!?! YOU'RE TELLING
(choke + sniffle)
ME to CALM DOWN?!?!

AVERY (O.S.)
Look, Toby. I'm sorry. I've just, changed since I've come here, and--

TOBY
You fucked him, didn't you.

AVERY (O.S.)
What? No, of course not, I--
(long beat, sigh)
Yes. Yeah. I did.

Any grain of Toby's being that was in reality is now gone. He's completely, utterly, *losing his fucking shit*.

He drops to his knees, sets the phone down on the carpet, and lets out a wail that he didn't even know he could produce.

AVERY (O.S.) (CONT'D)

Toby?

He can't formulate words. Strands of snot and tears pool on the floor. Even with the circumstances, this is humiliating.

AVERY (O.S.) (CONT'D)

THEO (O.S.)

Toby, listen. I. Fuck. I have (laughing)
to go, okay? I'll, um. Bye. Holy fuck, is he good?

BOOP BOOP BOOP. She's off the line. The dorm is silent for what feels like forever. Then... a gentle KNOCK on the door.

BICK (O.S.)

Toby? Can I come in?

TOBY

Mhmm.

Bick opens the dorm and wraps his roommate in a hug.

BICK

I'm so sorry. Totally out of
nowhere. That's so fucked up.

Toby can't speak.

Bick walks over to his wardrobe in the corner of the dorm.

BICK (CONT'D)

Here's what we're going to do. Take
some deep breaths with me, okay?
Ready? Close your eyes... In...

Toby hyperventilates. He's completely not okay. Bick gives him a look: *oh boy*.

BICK (CONT'D)

And ouuttt...and in... And out...

Toby starts to steady his breath. As he does, Bick grabs a massive bottle of vodka out of the wardrobe.

Toby opens his eyes, shocked to see Bick with hard alcohol.

TOBY

Where did you get that?

BICK

I keep it for emergencies. I figure
this definitely counts as one.

Bick walks up to Toby and takes off the bottle's lid.

BICK (CONT'D)
We're going to that party, bitch.

INT. ISLA'S COLLEGE HOUSE - DINING ROOM - NIGHT (N2)

Enzo has finished his plate of pasta. Isla's had maybe half of hers. She reads the look on his face. She just *knows*.

Isla takes his empty plate and swaps it with her full one.

ENZO
Thank God. I was banking on that.

ISLA
Enzo, I needed this. Really. You know Rick can be a lot. I don't know. Thank you. I'm sorry, I like, totally blanked on our anniversary.

ENZO
That's okay. I'm just... happy to see you happy. That's all I want.

Carmen watches from the couch.

CARMEN
Fuck, it's like you forget I'm single. Ugh.

She tightens her hoodie drawstrings and exits to her room.

ENZO
You didn't forget about *tonight*, though, did you?

ISLA
Duh, of course not. You got the rings ready?

ENZO
Yup. You got your dress?

Isla starts to hide. She buries her head in her hands.

ENZO (CONT'D)
What? What?

ISLA
I never picked it up. I was so caught up with work. I don't know what to do.

Isla starts to hyperventilate. Enzo rushes up and runs behind her chair, wraps his arms around her.

ENZO

Hey, it's okay. It's not that deep.
We can figure this out.

Carmen walks out again, dab pen in hand. She walks to the kitchen and pours herself a tall glass of chocolate milk.

CARMEN

(mid pretzel crunch)
What's wrong with you fucks?

ENZO

(hiding a smile)
Isla forgot to pick up the dress.

CARMEN

Bitch, did I not *tell* you to do it
before work this morning?

Isla has her head buried in her knees.

ISLA

I forgot. That dress was like a
thousand dollars. I had to *beg* my
dad, he thought it was so dumb. But
I was excited to wear it.

Carmen smiles and takes a sip of her chocolate milk.

ISLA (CONT'D)

What?

CARMEN

SAAMMM!!

SAM (21), a max-sorority Jennifer Garner clone in the midst of getting ready, enters the kitchen with towel-wrapped hair.

SAM

(mid-toothbrush)
What?

CARMEN

Girl.

Carmen looks at her knowingly. Sam suddenly spits her toothpaste into the sink. Carmen looks at her in disgust.

SAM

Fuck! Right.

Sam goes into her room and returns holding a gorgeous gown that's halfway between a wedding dress and nightclub attire.

ENZO

I knew you were busy with work so I had Sam pick it up for you.

ISLA

Enzo. You didn't.

Isla looks at him with *the* eyes. She turns her head towards the bedroom. Enzo's not picking up the clue.

ENZO

You want to get ready? We can't be late. Dom's already set up. I might head over right now.

Her smile shifts. Still there, but nothing behind it.

INT. SIGMA KAPPA UPSILON FRATERNITY HOUSE - LATER (N2)

LOUD DANCE MUSIC plays as we explore the house once more:

An impressively messy yet well-loved indoor-outdoor castle with 20 full-time residents. There's an outdoor dance floor, a staged DJ stand, a spiral staircase to a wrap-around balcony, a huge outdoor courtyard, and a gazebo.

Everything is covered in light bulb strings, and the undying grime is hidden by fake flower petals. There's an elevated carpet-lined runway leading into the gazebo.

DANCE FLOOR

Dom--fully suited with an open champagne bottle in hand--is conducting this shit like Terrence Fletcher. BOGO (19), a 6'4" blonde stud, complains to him.

BOGO

I thought we were done with pledge bullshit. When can we start firing?

DOM

I don't give a fuck you're not a pledge anymore, Bogo, you're a J.I., same shit. You'll do what I tell you until the next pledges show up.

BOGO

J.I.?

DOM
Just-initiated, fuck-face. Now go
help Biggie Cheese set up bar.

Dom turns to a CROWD OF SOPHOMORE GUYS. They stare at him blankly, holding streamers, booze, and red solo cups.

DOM (CONT'D)
What's good with the thousand-yard
stare, fellas? LET'S GO! Pada, get
the fog machine set up outside.
Donny, what's laser status?

The crowd starts to scramble to complete their assigned tasks. DONNY (19), stoned, smudged glasses, presses some buttons on a remote, triggering an impressive light show.

Suddenly, a C02 cannon BLASTS. Dom covers his ears.

DOM (CONT'D)
FUCK YEAH, DONNAYY!!!

FRONT DOOR

Someone is banging on the door. Dom runs to check it.

It's Rick, holding a case of 6 vodka bottles.

RICK
Dom-ooo! How goes it, buddy?

DOM
Oh, hey! Mr. Aston. Thanks so much,
as always.

Dom takes the Vodka bottles.

RICK
Heard it's the big wedding tonight.
Figured you guys could... use some
booze. Uh. Type shit!

DOM
Uh. Yeah. For sure, man.

RICK
So, can I take a look at the setup?

DOM
You know? Nah, man. I've kinda got
my hands full here.

Rick, discouraged, quickly makes his way back to his car.

RICK
 You got it! You're the man! Let me
 know if you boys ever need
 anything.

EXT. SIGMA KAPPA UPSILON FRATERNITY HOUSE - LATER (N2)

Toby and Bick, dressed for the wedding, stop and sit on the sidewalk in front of the house.

From the outside, lights and house music BUMPS through the windows, which are covered with taped, ripped trash bags.

Toby is pretty tipsy.

BICK
 You good?

TOBY
 Absolutely not. Let's get blacked
 out.

BICK
 That's... yeah. Fair enough.

The boys walk up to the front door, where a group of girls gets let in right before them. Amir sits outside with two other STOCKY FRAT DOORMEN in shades smoking cigarettes.

AMIR
 Fuck do you freshmen want?

TOBY
 We're here for the... wedding?

Toby tries to walk in. The stocky dudes block him, grab him and Bick, and start pulling them back down the stairs.

BICK
 Hey! Fuck you!

ENZO
 (from afar)
 Hey! Toby!

With impeccable timing, Enzo, Isla, Sam, Carmen, and a BAND OF SORORITY GIRLS arrive at the front door of the house.

AMIR
 You know these fools?

ENZO

Yeah, this one's gonna carry me in that class I need to pass. He's taking it as a freshman. Get them wristbands for me.

(to Toby & Bick)

Amir, Isla, meet Toby, and... uh...

BICK

Bick. Well, Justin. But everyone calls me Bick.

ENZO

Hah! Like the, fuckin, uh. Lighter?

Isla and her friends walk up. Suddenly, Toby is circled by six gorgeous women three hours post-breakup.

ISLA

Nice to meet you guys.

FRIENDS

Hi! // Hey! // Cute.

BICK

Thanks for having us.

TOBY

Ye- Yeah.

Toby's 'yeah' hangs in the air-- he's overwhelmed by nerves.

ISLA

Have you guys been to a frat party before?

Toby nods in a forced and awkward way that says: *No!*

BICK

No. It's good timing, though. Toby's... He just got dumped. Like, a few hours ago.

TOBY

She was cheating.

ENZO

Fuck, dude. Brutal.

ISLA + FRIENDS

Nooo! // Poor baby. // I'm so sorry! // NO WAY // Ugh.

Carmen puts her hand on Toby's shoulder.

CARMEN

Let's get you some fucking tequila.

Toby and Bick follow Enzo and the girls inside. Bick gives Amir a sassy "*fuck you*" look as he passes by.

SAM

Heyyyy Amir.

AMIR

Hey, Sam. Have fun tonight.

Sam walks in, and Isla follows behind her. As Isla walks in, Amir turns his head, *checks her out*, and sighs.

INT. SIGMA KAPPA UPSILON FRATERNITY HOUSE - SAME TIME

The party has arrived.

DOM

ENZOOOOO!!!

Dom jumps down from the DJ stand to greet his friend. Isla stands behind him with Sam and her other friends. Bick and Toby stand awkwardly to the side, taking everything in.

ISLA

I should be studying for the LSAT.

SAM

You *should* be having a romantic night with Enzo. If *my* boyfriend set this up for me, I'd do some crazy things to that man.

Sam clears her throat loudly and performs an over-the-top blowjob hand motion. Dom and Enzo dap each other up. Enzo looks happier to see Dom than he did when Isla walked in.

ISLA

Hah. Yeah. *Happy Anniversary! Let's get hammered with a bunch of frat guys on bag.* How romantic! Besides, Enzo and I. Well.

CARMEN

Well, *what?*

ISLA

I haven't. We haven't had like. It's been a while. Whatever. Let's get a drink. Fuck.

Isla's entourage follows her to the bar. They're all too afraid to ask the deeper questions about her relationship.

ENZO

Party looks great, bro. Really does. Like, I have no clue how you always pull this shit off. Yo, meet Toby, and his, uh, roommate.

TOBY
Yo.
BICK
Hey. I'm Bick.

DOM
Like the lighter?

Bick nods awkwardly.

DOM (CONT'D)
Y'all coming to rush tomorrow?

Bick and Toby stare at each other.

TOBY
Yeah, for sure!

Bick gives him a weird look. Dom eyes Enzo.

DOM
Dope. Y'all wanna go gun?

TOBY
What's that?
BICK
What's that?

SMASH CUT TO:

EXT. SKY COURTYARD - NIGHT

Toby, Bick, Enzo, Dom, Mase, and THREE OTHER GUYS shotgun beers on the elevated wedding runway. Toby and Bick both only finish half and spill beer all over their dress shirts.

A MASSIVE GROUP OF GIRLS pours into the courtyard from the main house. Dom puts both his pointer fingers in the air and runs towards them. They all seem to know him well.

Enzo turns to Toby.

ENZO
Startin' to fill out nicely.

TOBY
I think I'm over Avery already. My ex, I mean. I. Wow.

BICK
Why don't you go introduce yourself?

Bick and Enzo smile at Toby and push him down from the runway. Toby makes his way towards the group of girls.

Enzo turns to Bick.

ENZO

Is this... uh, your first frat party? Or, *experience*, I guess.

BICK

Yeah! Mhm. It seems, um, interesting?

ENZO

It's definitely a time, yup. That's for sure. Have fun tonight. Keep an eye on your boy, too, they're, like, *not* light on the pours here.

Bick laughs, maybe too hard.

BICK

Oh, haha, you're. So funny!
(eyeing Enzo's figure)
Wow. I'm... sure he'll be good.

Bick subtly grazes Enzo's arm with his hand. Enzo freezes.

Isla comes back out and grabs Enzo's opposite arm.

ISLA

Dom wants to start the ceremony. We should get ready.

ENZO

Yeah.

Enzo *quickly* breaks away from Bick. Bick scans around for Toby. He's deep in conversation with a *girl*! Bick grins.

BY THE BAR

JULES (19), wears an abundance of curated jewelry and has mini tattoos and blonde bangs. Toby is infatuated.

JULES

Yeah, well, I'm majoring in psych, but I'm not loving my classes, so we'll see. You?

TOBY

Uh. Comp Sci. Coding. And shit.

Jules nods. Eyes Toby up and down.

JULES

And you're rushing?

TOBY

I mean. Maybe. I don't know yet.

JULES

Well, you're *here*. They must like you. I don't want to be a sorority bitch, like, at all, but Kappa Rho looks fun. I figure, why not try something new, you know?

TOBY

Maybe you're right. I could use something new right now.

She smiles at him.

EXT. SKY COURTYARD - LATER

It's a packed house. A HUNDRED FRAT BOYS in full suits, a third of them also wearing backwards snapbacks, shotgun beers and smoke cigarettes alongside a crowd of HUNDREDS OF GIRLS.

GAZEBO

Amir, holding a ring box, Dom, and FRAT GROOMSMEN holding 40-ounce beers stand alongside SORORITY BRIDESMAIDS holding bouquets. They crowd around a thrilled Enzo.

DOM

You sexy motherfucker. Ready for this shit?!

Enzo daps up Dom and embraces him with his free hand, nodding vigorously. Dom walks out of the gazebo and hides behind A LARGE CROWD standing on the elevated wooden runway.

Dom rifles through his pockets. He fills his key with a bump and shoots it up his nose, being careful not to be seen, but Enzo is watching, shaking his head with a concerned smile.

DOM (CONT'D)

Yo, lemme get elly.

The FRAT BOY (20) moves and clears the entire runway for Dom.

DOM (CONT'D)

YO! HEY EVERYONE-- EVERYONE SHUT THE FUCK UP!

The crowd falls silent.

DOM (CONT'D)
 WELCOME. TO THE SIGMA KAPPA UPSILON
 AND KAPPA RHO CHI GREEK WEDDING,
 TWENTY-TWENTY FUCKIN' FIVE, BITCH!

The crowd GOES WILD.

DOM (CONT'D)
 NOW... MAY I PRESENT TO YOU... YOUR
 BEAUTIFUL BRIDE... **ISLA CALLOWAY!**

Mase, with slicked back hair in a sleeveless tux, shreds *Here Comes The Bride* on an electric guitar from the balcony. A GROUP OF DUDES next to him showers the crowd in champagne.

A group of eight guys individually sprint down the runway, chucking handfuls of fake flower petals from woven baskets.

Bick scans for Toby in the packed crowd, getting squished.

Jules and Toby talk when PETE (19), wearing a crumpled dress shirt, khakis, and a backwards snapback, interrupts.

PETE
 Yo. What's good. Pete. You a PNM?

Pete goes in for the dap-up. Toby awkwardly shakes his hand.

TOBY
 A what?

PETE
 Potential new member. Like, for SKY. Rush starts tomorrow, and you definitely don't look like a brother, so I figured.

TOBY
 Oh, uh, yeah. Yeah, I am. A PNM.

Pete goes in to hug Jules. She awkwardly accommodates.

PETE
 What up. Pete. Absolute pleasure.

JULES
 Jules.

Pete returns his attention to Toby.

PETE
 Tobes. Tomorrow's a big day. I'm gonna go spec another shot. You in?

Toby nods and follows Pete to the bar, leaving Jules behind.

Girls in the crowd SCREAM as Isla makes her way down the aisle. She takes it all in. She makes it to the gazebo, stands next to Enzo, and grabs his hands.

DOM
ATTENTION.

The crowd falls silent.

AMIR
In this holy bond of Sigma Kappa
Upsilon and Kappa Rho Chi, do you,
Enzo Menlove, take Isla to be yours
and yours only?

ENZO
I do.

Isla takes a ring from Amir and puts it on Enzo's finger.

AMIR
And do you, Isla Calloway, take...

Enzo suddenly picks Isla up, twirls her around, and kisses her. He sets her down, raises his fist in the air, and...

ENZO
LET'S FUCKING GOOOOOO!!!

THE CROWD ERUPTS! Every guy holding a drink flings and sprays it around, jumping up and down moshing. Mase keeps the vibes going on his guitar. Dom carries Isla down the aisle. Carmen throws her a fresh bottle of 1942 Don Julio.

The One by Chloé Caillet builds up...

INT. SIGMA KAPPA UPSILON FRATERNITY HOUSE - NIGHT (N2)

And DROPS. Dom frat-flicks to the beat as the dance floor JUMPS. Toby, Bick, Pete, Jules, and Isla showcase their best (worst) drunk dancing.

Isla and Jules dance together and talk closely. Jules grabs Isla's hand, eyes Toby. Isla nods. Jules meets Toby.

As soon as Isla's available, Pete swoops in. Sam sees this from across the room and comes to the rescue.

On the DJ stand, Dom pulls out a key and a mini bag of white powder. He crouches down and shoves a bump up his nose.

He turns to Amir.

AMIR

This bag's got me in the fuckin' clouds, bro. You want in?

Amir shakes his head.

AMIR (CONT'D)

Take it easy on that shit. New setup is crazy.

Dom presses a button on a control panel next to the decks. An INSANE LIGHT SHOW fires off from the new lasers.

Isla looks at her phone while Pete tries to "spit game" at her. Sam gets in between them.

PETE

Yeah, I'm rushing tomorrow, I think I've got a bid, like, locked.

SAM

If you want to "*lock your bid*," why don't you stop trying to flirt with the president's girlfriend?

Sam pulls Isla away from Pete. Isla's fixed on the phone.

SAM (CONT'D)

Everything okay?

Isla looks down and points at Pete.

ISLA

He's whatever. But I can't find Enzo, and my little is vomiting in the bushes, so I need to get a handle on that.

SAM

Ugh. Sofia, you little demon.

Isla scans the room. Dom is too coked out, Amir is managing more risk than he signed up for... but there's Toby.

Isla walks over to him.

ISLA

Toby, I need a favor. My little is too drunk, can you find Enzo for me? Come find me by the bushes next to the gazebo. Okay thanks bye!

And she's gone. Toby looks at Jules.

TOBY
Should probably go. I gotta find my
roommate, too. Anyways. It was, uh.

JULES
Great talking to you.

Jules sticks her phone out for Toby to put his number in.

Toby smiles. Another obnoxious light show BLASTS THE ROOM.

A wire inside of one of the lasers BEGINS TO SMOKE AND SPARK.

EXT. ENZO'S ROOM - HALLWAY - NIGHT

Bick and Enzo are walking alone through the frat quarters.
It's series of rooms with pieces of loose drywall, Natty
Light boxes, and garbage sprawled through the halls.

BICK
So this is a frat house.

ENZO
Different than what you expected?

BICK
No. Actually, it's kind of exactly
what I expected. Thanks for the
tour, anyways.

ENZO
Wait till you see the best part.

Enzo unlocks the door to his room, which has a poster of
Kettama and Chris Stussy taped to the front.

INT. ENZO'S ROOM - NIGHT

A personalized mini-apartment complex within the frat house.
It's meticulously clean.

BICK
Damn.

ENZO
What?

BICK
Oh, just. Not what I expected.

EXT. ENZO'S ROOM - HALLWAY

Toby is on the prowl. He passes by a FEW DRUNK KIDS in the hallway. He tries a couple doors. Locked.

He makes it down to Enzo's room at the end of the hall.

Opens the door.

INT. ENZO'S ROOM - SAME TIME

Toby flings the door open.

TOBY

Enzo??

BICK AND ENZO ARE MAKING OUT IN THE MIDDLE OF THE ROOM.

TOBY (CONT'D)

Yo! YO! HOLY SHIT!

Enzo shoves Bick. Bick flies into the wall.

ENZO

Fuck. FUCK.

Bick stands up from the floor.

BICK

Ow! Cunt. What the fuck?

Enzo is totally flustered.

ENZO

Okay. OKAY! SHUT THE FUCK UP. OKAY.
Here's what's going to happen. What
just happened...

(at Toby)

What you just saw, doesn't leave
here. EVER. Or I'm fucked. My
entire life is... gone. Do you
understand?

Toby nods. Bick looks crushed.

ENZO (CONT'D)

I'll secure your bid. I'll do
anything, please, guys, just don't--

BICK

Do I get a bid, too? Or is this
really the homophobic frat... and
with a gay president?

ENZO
Um. Yes. Fine, just--

SCREAMS FROM DOWNSTAIRS.

Amir BANGS on Enzo's door. BANG BANG BANG. It's *urgent*.

AMIR
YO! ZO! YOU IN THERE?!

Enzo opens the door.

AMIR (CONT'D)
(deep breath)
Get the fuck downstairs.

INT. SKY FRATERNITY HOUSE - NIGHT

Bick and Toby stare at the stage as it BURNS. GROUPS OF GIRLS AND SOME FRAT GUYS sprint towards the front door.

Enzo watches Dom spray the stage with a fire extinguisher. He sprays it right at the laser, the source of the fire.

Enzo walks over to Toby.

ENZO
Where the fuck is Isla?!

TOBY
She's with her little. By the gazebo.

Enzo runs off.

EXT. SKY FRATERNITY HOUSE - THE NEXT MORNING

Enzo and Dom talk to TWO COPS outside of the house. It's standing, but there's a gaping, burnt hole in the wall where the DJ stand was-- any passerby can see right inside.

Enzo signs paperwork, thanks the officers, and they're gone.

A green BMW drives by the house and stops, rolling the window down. TRENT (21), Enzo's nemesis, wears a sweatshirt plastered with red Greek letters: Omega Tau Rho.

TRENT
Fuck happened here, boys?!

DOM
Too many lasers.

Trent scoffs and shakes his head.

TRENT
Good luck at rush.

Trent laughs as his beamer speeds off. Enzo turns to Dom.

ENZO
Get shit ready for rush. I gotta
make some calls.

DOM
Dude, for real? Our house is
fucked, shouldn't we postpone--

ENZO
GET IT READY. I'll handle it. Just
make sure these kids show up at
noon. Okay? That's the top
priority.

DOM
Alright, bro. Damn.

Dom heads inside. The residents of the house all watch from
the front door, nervous. Enzo pulls out his phone.

ENZO
Fuck. No shot I'm doing this.

INT. ASTON STRATEGIES LLP - RICK'S OFFICE - MORNING

Rick talks to some clients. He puts a finger up, pausing them
as his phone rings. He picks up the phone.

RICK
Yello'. Rick Aston, Aston
Strategies.

END PILOT.
